

Determining Health Insurance Eligibility

The Mederi Center can provide billing services for clients who are Oregon residents, have on-site consultations, and are patients of Dr. Susan Saccomanno. We take the following insurance plans: Regence/BCBS, Providence, Aetna, and MODA (effective November 1, 2019).

It is your responsibility to be informed of your specific insurance plan's coverage, co-pay, and deductible. We are supplying the following list of questions as a tool to assist you in determining what coverage your insurance company and plan provide. Our tax ID will be requested when you call your insurance company. There is no need to return this form to us.

Mederi Center Tax ID: 20-242-7855
